Tri-Con™ coiled pins (CP-050-250-HD), or spline connection coiled pins (CP-050-225-HD) do not come with Iron Fist purchases. Punch tool also sold separately (PUNCH-RP-044).

Steep, concave steerface with fluid holes for quick response

Compact cutters are less likely to hang up on cobbles

Chunky carbide hardfacing, on all wear areas

Main carbide cutters positioned to allow for "rocking" the bit through cobbles

Balanced cutters for downhole stability and drilling on center

A MudBoost™ port to get fluid where you need it on pullback.

Fluid Port Plug Part # PLUG-04MP.

NOW AVAILABLE IN TRI-CON™ & SPLINE CONNECTIONS!
